“ TEAM TALK ”

Good Afternoon once again and welcome to what promises to be a cracking derby game with Bolton Wanderers.

I was bitterly disappointed to see us end up pointless at Notts County last Saturday. We contributed to our own

which came right out of the blue. I asked Brian to go home and give the matter more thought, but he was adamant.

No manager likes to lose his best players, but it is equally vital that you don't make the mistake of trying to keep an unsettled lad.

I can understand Brian's reasoning and there is nothing this club can do about his ambition to play at a higher level before the World Cup. Brian has been a superb

downfall by failing to keep control of a game that was there for the taking.

At half-time we were one up and looking very comfortable, but we faded away when all we needed was hard work and concentration.

Having said that, County's equaliser was a complete fluke and gave them a way back just as they were beginning to grow more and more frustrated.

I was angry at the way we allowed the game to slip away - I would have been disappointed with a draw, never mind a defeat.

Our away results are preventing us from climbing right up the table and we must start picking up the points away from Deepdale.

Since my last column, we have had the Brian Mooney transfer request

player here and I know full well what a great favourite he is with the fans. But we must always look to the future and the club as a whole is what counts most.

Let's hope we contrive to see some more great excitement at today's game.

Bolton have done well this season but we need fear no-one.

Enjoy the game.

PAUL AGNEW'S

MAN OF THE MATCH

When the manager terms your performance as "brilliant" and his assistant calls it "out of this world", it is fair to assume that you've had a reasonable game!

Such tributes spouted forth from John McGrath and Les Chapman after the 4-2 victory over Brentford earlier this month.

The subject behind those tributes was PNE striker Tony Ellis.

In what amounted to one of the great comebacks in modern times, Ellis was truly outstanding.

A superb interchange of passes put him in the clear for the first PNE goal on 59 minutes and his shot, low and true, beat the goalkeeper at the near post.

But Ellis's most magical moment came 12 minutes later when with a superb piece of individual skill he left a defender for dead before setting up his skipper, Warren Joyce, for the equaliser.

It was a breathtaking moment, more suited to the World Cup stage than the bread-and-butter life of Division 3.

Ellis' winning combination of pace and skill had the fans wallowing in pleasure.

He led the great revival and, despite a great display from Steve Harper, he took the man-of-the-match rating on merit.

Harper's consolation was to pick up the prize in the next home game against Crewe.

A and B REPORT

Lancashire League Division 1

Blackburn Rovers 'A' v Preston North End 'A'

Played at Pleasington, Blackburn

Saturday, 14th October, 1989

Result Blackburn Rovers 'A' 1

Preston North End 'A' 0

Team: Hollis, Cunningham, Bennett, James, Walker, Rapsey, Burrow, Eaves, Peel, Snow, Ashcroft.
Subs: Cartwright, Siddall - Subs not used.

As readers of this column will now know the weekly report comes in various guises, part football, part travelogue, part geographical and part scenic. A formula set at trying to appeal to all tastes and interests at least that is the idea.

Today the game was played in a most rural and picturesque setting, the well grassed pitch surrounded by an abundance of trees all showing shades of autumnal tints enhanced by a bright but watery sun.

One week a backdrop of mill chimneys and flats, the next week rustic woodlands - one is never bored by the surroundings - join the Lancashire League and see the world.

North End kicked off with a blustery wind at their backs, a wind so intense that it was quite obvious that it would cause both sets of players quite a few problems.

It was to be expected, in view of the keen rivalry between the sides, the early exchanges were fast and furious with no quarter asked or given.

Although the game flowed from end to end neither goalkeeper was called upon to perform any heroics. With both defences on top there seemed little likelihood of a goal from any source, the nearest either side came to scoring was on the half hour when a telling centre from Cunningham found Snow whose header forced the home keeper into a good save.

The tricky wind was proving a hindrance to all participants although in the latter period of the half Preston were coming more into the game playing good attractive football.

The second part of the game continued in the same pattern of the first 45 minutes with goal scoring chances for both teams at a premium.

The North End back four always looked dependable and solid with Walker always looking comfortable dealing with the many high balls which came his way. Any ball which eluded the defence was quickly picked up by the alert James in his role as sweeper whilst Hollis in goal dealt capably with the occasional shot on goal. The young midfield comprising of Eaves and Burrow got through a tremendous amount of work with an infectious eagerness. The attacking trio made up of Peel, Snow and Ashcroft could really make little impression on a resolute and dour Rovers defence although Peel saw a good shot well saved by the goalkeeper.

With just ten minutes of the game remaining a no score draw looked the most likely result but unfortunately that was not to be. Blackburn advanced down the left and the resultant cross was well struck giving Hollis little chance of saving.

In the remaining minutes try as they may North End were unable to obtain an equaliser although right to the final whistle they played with plenty of endeavour and determination, they certainly deserved a point, even the partisan home supporter would not argue that or would they?

Although the result was not as we would have wished nevertheless it was a creditable all round team performance, regrettably the unbeaten record for this season was at an end - in view of the conditions it could be said that it was swept away by the wind.

NORTH END SCRAP BOOK

.....

Greaves, No Saint!

The fresh faced youngster in the picture may look familiar and the older fans amongst you may recognise the player from the 1959-60 season. In the two games Preston played against Chelsea that season the Northern lads certainly felt the full force of the new goalscoring phenomenon to hit the Football League. His name? Jimmy Greaves.

North End visited Stamford Bridge in the autumn and shared eight goals in a thriller. It took Greaves only ten minutes to open the scoring being in the right place to pick up a loose ball and beat Fred Else with ease from close range. After goals by Tom Finney and Peter Brabrook had made it 2-1 to Chelsea at half-time. Greaves came up with a cracker to score Chelsea's third after the break. I'll leave the description to Walter Pilkington who, in his report on the game said, "He wormed his way past two or three opponents by tenacious control, then he let fly with a terrific left-footer which slammed the ball against the near post, from which it glanced into the net with such force that it came out again off of one of the net stays."

Chelsea then went 4-1 up with another Greaves special which Pilkington described at the time as, "One of the finest goals I have ever seen." His description went thus: "He did it himself from start to finish with a wonderful corkscrew run right down the middle, which he crowned by

beating one last man on a sixpence to leave himself just time enough to ram a short range shot into the roof of the net."

It looked all over for North End at that stage but an amazing fightback over the last twenty minutes enabled them to win a point. Goals by Tommy Thompson, Derek Mayers and, in the last minute, an equaliser by Frank O'Farrell saved the day.

If that match was exciting then the return at Deepdale was almost indescribable. This time the two teams served up a nine goal extravaganza and the man-of-the-match was undoubtedly that man Greaves again. He scored all of Chelsea's goals in their astonishing 5-4 victory. A quote from a report of the game said, "It was a wonder some people did not pass out through excitement in the last ten minutes."

Chelsea again led by three goals with Greaves making it 5-2 early in the second-half. But Preston, far from being dismayed, fought back again and, helped by a hat-trick from Tommy Thompson, they brought the deficit down to just one goal. Preston threw everything forward in those last minutes but Chelsea, somewhat desperately at times, hung on for their win. It was a superb game but at the final analysis the match belonged to Greaves. As well as his goals he hit the post, scraped the bar and forced Fred Else into two outstanding saves.

The special thing about Jimmy Greaves was that all of this early career promise blossomed into the brilliant player we all came to know and love. These two games against North End will never be forgotten.

MY HERO

JEFF WRIGHTSON

These Geordies don't half stick together. Newcastle United supporters are known for their hero worship of star players . . .

Jackie Milburn, Kevin Keegan, Malcolm MacDonald - and more than ever, as in the case of Milburn, if they happen to be local lads .

Last home-grown hero on Tyneside was cheekie-chappie midfielder Paul Gascoigne, the favourite footballer of Deepdale's Newcastle born defender - Jeff Wrightson.

Jeff, who managed four senior games for the famous Magpies before moving to North End, said "Paul is a superb footballer with natural flair. I believe he is the sort of player who brings people into football grounds".

"He's a character too which again I think the fans like. There are not enough personalities and I maintain that Gascoigne should be an England regular".

Gascoigne 22, who hails from Gateshead, made 92 appearances for Newcastle before moving to White Hart Lane in July last year for a staggering £2,000,000. He has made five appearances for England.

FLASHBACK

NORTH END

5-10-20 YEARS ON

25th October 1969

Norwich 1 Preston 2

Division Two Attendance 10,416

After going six away games without a goal Preston at last broke their duck in the 17th minute of their trip to Norwich. It all stemmed from a bad clearance by Duncan Forbes. Alan Spavin intercepted and quickly drove the ball past Kevin Keelan from 25 yards. North End's joy lasted barely a minute because Graham Paddon headed home Ken Foggo's cross to equalise.

Foggo's goal seemed to inspire Preston as they took control of the midfield where Archie Gemmill's shrewd play dominated. Norwich created the odd chance but five minutes from half-time Preston regained the lead. A magical pass from Spavin found Ricky Heppollette whose shot was only partly saved by Keelan. When the rebound came out Gerry Ingram had the easiest task to score. After the break Norwich had most of the possession but persisted in the long high ball which was easy meat for the outstanding Graham Hawkins and Jim McNab.

Quote from the papers, "Everything happened for North End today and at stages in the last 15 minutes amazingly looked full of goals."

Teams: Norwich: Keelan, Stringer, Black, Mallender, Forbes, Lucas, Foggo, Bryceland, Silvester, Paddon, Crickmore.

P.N.E.: Kelly, Ross, Ritchie, Heppollette, Hawkins, McNab, Wilson, Spavin, Ingram, Gemmill, Temple.

27th October 1979

Luton 1 Preston 1

Division Two Attendance 11,648

Preston travelled to the league leaders and extended their unbeaten run to seven games with a deserved 1-1 draw. Preston controlled much of the match playing neat, constructive football. In the first-half Ricky Thomson put in several good shots and an early injury to Danny Cameron gave Paul McGee the chance to show his pace after his transfer to the club. It was McGee who began the move in the 61st minute which led to North End taking the lead. He passed to Thomson who crossed for Steve Elliott to flick home a header.

The goal was well deserved as Preston had played well. They still controlled

things until the 81st minute when Brian Stein burst through. He was blocked by the defence but as the ball ran loose Roy Tunks was adjudged to have brought down Tony Grealish. David Moss scored from the penalty. In the dying moments Stein almost snatched a winner but that would have been a travesty for Preston.

Quote from the papers, "Preston were a better looking top-of-the-table side on the day."

Teams: Luton: Findlay, Stephens, Donaghy, Grealish, Saxby, Price, Hill, West, Stein, Hatton, Moss.

P.N.E.: Tunks, Taylor, Cameron, Burns, Baxter, Blackley, Bell, Haslegrave, Elliott, Thomson, Bruce. Sub. McGee (for Cameron).

27th October 1984

Bournemouth 2 Preston 0

Division Three Attendance 3,509

This match served Preston fans with a warning of relegation unless their team can make a rapid improvement. They were never in this game as an attacking force and Bournemouth ran out comfortable winners. It was depressing fare from North End with only Peter Litchfield, Mike Farrelly and Graham Houston showing any sort of form. The goals both came from old Blackpool stalwart Billy Rafferty. The first came in the 39th minute when John Beck's corner had been flicked on to him by Ian Thompson.

After the break Bournemouth continued to hold all the aces and their keeper was never seriously threatened. In the 75th minute the result was all wrapped up when Litchfield parried Bobby Savage's free-kick but could do nothing to stop Rafferty's follow up shot. Altogether a dismal afternoon despite the autumn sunshine.

Quote from the papers, "Preston's need is for a midfield general. If a general can be found perhaps the privates might respond to the battle ahead."

Teams: Bournemouth: Smeulders, Nightingale, Sulley, Beck, Brown, Savage, Schiavi, Russell, Rafferty, Thompson, Morrell.

Sub. Shaw (for Schiavi).

P.N.E.: Litchfield, Jones (M), McAteer; Farrelly, Twentyman, Clark, Kelly, Hunter, Greenwood, Naughton, Houston. Sub. Houghton (for Greenwood).

ADRIAN HUGHES

There is something distinctly Merseyside-ish about Adrian Hughes.

Born in Liverpool, he has always followed the mighty Reds of Anfield, names Alan Hansen as his favourite player and lists "Bread" as his top T.V. show.

Hughes had made a big impact at Deepdale, the club he joined from school, since making a first team debut on the final day of the 1987-88 season.

He is still only 18, but has managed to chalk up around 40 senior appearances. Adrian scored his first goal for Preston North End in the 3-1 win over Bolton Wanderers at Deepdale on Boxing Day last year.

Married to Nicole, Adrian enjoys an

after-match pint of lager and rates Chinese food very highly.

In music, everything appeals, and away from the soccer pitch his sport-

ing interest include squash and tennis.

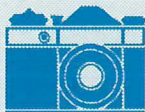

Tony Agana, the free-scoring striker from Sheffield United, is his most difficult opponent to date while Brentford gets the vote as the top away trip.

His parents, Nicole and the Preston North End management staff and coaching staff have had the most influence on Adrian's career.

For holiday choice he looks no further than Benidorm and he loves to drive Nicole's XR3i.

Adrian likes a trip to the cinema or a night in with a video and his top choice in the acting world is Kim Bassinger.

THE D N O R

ON THE MOVE

The transfer merry go round has continued since my last notes with several departures and arrivals up and down the country. Former Gillingham man Howard Pritchard has left Walsall for league new boys Maidstone for £15,000., and Tony Sealy has signed on to the Gerry Francis cause at Bristol Rovers. Sealy's pace will no doubt add another dimension to the Rovers jigsaw. Gary Kelly has joined Sam Ellis on loan at Bury from Newcastle. Former West Ham favourite Geoff Pike has made his way back to London after signing for last Saturday's rivals Leyton Orient from Notts County. Blyth Spartans David Scope has joined Northampton but leaving by the out door have been Paul Culpin to Peterborough for £40,000 and Tony Adcock to Bradford City for £190,000 as boss Graham Carr decides it's time to re-build. Roger Hansbury, the experienced Birmingham keeper has joined Cardiff City on loan - his second loan spell of the season having just returned from duty in Division Four. Looks like Wigan's Paul Beesley may have played his last game for Latics as the highly rated defender has been given permission to speak to two as yet unnamed clubs. Also Lancashire, Bolton 'veteran' Steve Thompson has expressed his desire to play in higher grade football and has been put on the list at his own request.

TALKING POINTS

Walsall's move to their new ground opposite Bescot Station has been deferred until next season. Wigan's Andy Pilling has been put on the list and John Crompton released. Bolton's qualification for Round 3 of the Littlewoods Cup is their first since 1984. Preston's 4-2 win over Brentford last Saturday marked 40 consecutive

matches at Deepdale where Preston have not failed to score. The run stretches from December 1987. The goalscoring exploits of Tranmere's Ian Muir and Chris Malkin have seen them be referred to as the 'M' squad. It's now 6 league games since Bristol Rovers last conceded a goal.

SEQUENCES

Tranmere are now unbeaten at home in the last 23 league games - with Birmingham they are the only 100% club in the division at home this season.

Wigan are still the only club in the Football League Div.3 yet to win a league game. Bristol Rovers have now gone 555 minutes since they last conceded a league goal. Chester have now gone 7 games without a win Fulham have only scored twice in their last 6 league and cup games. Notts County are unbeaten in their last 7 league games. (All the above relate to matches played up to and including Saturday 14 October).

TWO WEEK'S AGO

The weekend programme began with a tale of two cities - Chester and Cardiff. Their Friday night fixture produced a 1-1 draw where Cardiff new boy Leigh Barnard's goal was cancelled out by Aidan Newhouse in an inspiring game. Birmingham bounced back from their 5-1 defeat at Rotherham to maintain their 100% home record at the expense of Northampton. Two goals from Nigel Gleghorn and another brace from Denis Bailey saw the Blues run out 4-0 winners. Swansea's first away goals of the league season were enough to record a 3-1 away win at Bristol City in front of the days biggest crowd, last Saturday, of 8,794. Raynor and Solake (2) did the damage with Bob Taylor replying. Two goals in the 8 minutes before half time seemed to have set Crewe up for victory over Bolton thanks to Clayton and Callaghan. David Reeves had other ideas though netting twice in the second half for Bolton to resave a point. It was a case of points shared at Fulham where the

home side came back from behind to deprive Rotherham of all three points in a 1-1 draw. Barnsley for Rotherham and Marshall for Fulham were the marksmen. Terry Howard hit both Orient goals to beat Blackpool 2-0 at Brisbane Road to get the 'O's back on the winning trail after 3 consecutive league defeats without scoring. For 'Pool it was their second consecutive goal-less performance. Keith Bertchin, Walsall's 33 year old veteran scored his first goal for the club in the last minute to seal Walsall's 2-0 away win at Mansfield after Alex Taylor had put the visitors 1-0 up with 20 minutes left. Tranmere Rovers 6 match unbeaten run which had taken them to the top of the table came to an abrupt halt at Notts County where Gary Chapman's goal took the points for the Nottingham side. County's Dean Yates was sent off in this match to become the first home player to be sent off in Div.3 this season. Comeback of the day was at Deepdale where Preston 2-0 down at half time to goals by Brentford's 6 figure strike squad of May and Holdsworth, hit 4 in the second half to take the 3 points. Ellis, Joyce, Harper and Swann all scored in the final half hour to make it a memorable day for North End. Reading played their third consecutive 0-0 league draw - this time at home to Huddersfield. Add a 4-0 defeat at Newcastle in the Littlewoods Cup and it's over 3 hours since the Royals last found their opponents net. The first ever league meeting between Wigan and Shrewsbury also ended 0-0 to ensure Latics are still without a league victory this campaign. In the battle of 2nd versus 3rd Bristol Rovers seemingly impregnable defence earned them a 0-0 draw at Bury. It's 555 minutes since Rovers conceded a league goal and the 9th time in 12 league and cup games the Bristol men have kept a clean sheet. If the opposition don't score they can't win! The weekend programme overall produced 27 league goals and total attendance of 59,700. At 2,279 the Wigan v Shrewsbury clash produced the smallest attendance of the programme.

THE FAMILY GAME

More and more clubs are providing modern facilities to enable families to watch and enjoy our national game in safety and comfort.

Family stands and enclosures are a common feature of League grounds and form part of a major programme to improve football stadia throughout the United Kingdom. This season will see

further projects including new and better toilet facilities, especially for female fans, the provision of seating in existing covered areas and improved accommodation for supporters with disabilities.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives half of the £9.5 million donated by Littlewoods, Vernons and Zettlers from their Spotting-the-Ball competition and spends it on schemes to improve standards at League grounds in Britain.

WELCOME TO BOLTON WANDERERS

Dave Felgate (Goalkeeper). Born Blaenau Ffestiniog. Began his career at Burnden Park as an apprentice but made his league bow on loan with Rochdale. Barry Cowdrill (Full back). Born Birmingham. Made over 100 league appearances in an eight year spell at West Bromwich who secured his services from Sutton Coldfield Town. Mark Winstanley (Defender). Born St Helens. Came through the clubs youth ranks to make his league debut in March 1986. Mark Came (Defender). Born Exeter. Came to Burnden from non league Winsford United in 1984 and quickly forced his way into the league side. He has since made almost 150 league appearances but missed practically all of last season when he suffered a broken leg in a Littlewoods Cup tie at Chester.

Tony Philliskirk (Forward). Born Sunderland. Began his career with Sheffield United where he netted 20 league goals in 80 league appearances. PA. COLUMN

Peter Shilton is not only England's most capped footballer of all time he is also one of the games greatest ever wage earners.

Last year, Shilton, now 40, pulled in a cool £180,000 with Derby County That works out at around £3,500 a week, every week.

Not bad work if you can get it - and Derby have just announced that they are £2 million in debt.

Time they sacked the accountant at the Baseball Ground!.

Remember Mick Martin? The former Northern Ireland midfielder who had a spell as captain of PNE earlier in the 80s' has taken over control of Newcastle reserves.

Martin, who made his name with Man United, made 35 appearances during the 1985-86 Deepdale campaign ... the campaign which ended with an application for re-election.

A keen horse-racing enthusiast. Mick also runs two betting offices on Tyneside.

Horried - that is the only word for it. A PNE fan complained to me at Notts County last Saturday that he had been charged 80 pence for? - a pastie, what s it all about. And, apparently it was luke warm to!!

Whatever next ... Bury have taken on an aerobics instructor for hourly sessions of dance and balance. Can't really imagine Sam Ellis in a leotard can you?.

COMMUNITY NOTES

Hello again,

As a follow up to my last programme notes, I am pleased to report that the Brownedge High School "Fit For Life Week" proved to be a huge success. Despite adverse weather conditions, our staff spent a thoroughly enjoyable day coaching a range of sports to children from all over South Ribble, who judging from the feedback we received, had tremendous fun participating in the event.

Later in the week more fun was to be had at the Community Programmes staff 6-a-side Tournament held at Platt Lane, Manchester, which involved every club in the North West. The Preston North End side which I entered, ravaged by illness and injury began the competition as rank outsiders. However displaying true North End grit and determination we battled on through the competition, reaching the semi final, before losing (2-0) to a robust but worthy Bolton Wanderers side in a thrilling match. Hopefully todays game will prove just as exciting but provide North End with a reversal of Wednesdays result. Congratulations to Everton the eventual winners of the competition for who the mercurial Duncan McKenzie proved the outstanding performer not for the first time in his career.

Over the next few weeks we're looking forward to working with a number of special needs groups, in particular Baliol School, and at a later date children from Scotforth House. As a club trying to reach all areas of the community our accociation with them and the many other special needs organisations always gives me particular pleasure, and hopefully help to convey the message that at Preston North End sport is genuinely "For All".

Finally welcome to all our guests at this afternoons match. I'm sure you're in for a marvellous days entertainment.

Oshor Williams.

SHREWSBURY TOWN

Relegated from Division Two last Spring Shrewsbury Town are well fancied to be back among the elite within a year.

Shrewsbury, who play at the quaint Gay Meadow, were formed in 1886 but did not turn professional until 1905.

Arthur Rowley, that famous old trouser, holds the club scoring record (38 in a season and 152 in total) while their most capped player is Jimmy McLaughlin, a former Northern Ireland International.

Previous managers include: Harry Potts, Arthur Rowley, Harry Gregg, Alan Durban and Graham Turner. Current boss, Ian McNeill, took over in 1987.

Nicknamed either "Shrews" or "Town", the club's record attendance came when 18,917 turned out for a vital Third Division

game with Walsall back in April 1961.

The record victory stands at 7-0, versus Swindon in 1955.

The top transfers recorded by the Shrews are:

Incoming, £100,000 to Aldershot for John Dungworth.

Outgoing, £300,000 from Ipswich for David Linighan. Shrewsbury had a very sad time last season, winning only 8 of 46 league matches, losing 20.

A good footballing side they now include a well-known ex-North Ender among their ranks.

Willie Naughton went to Gay Meadow in the Summer, from Walsall.

Shrewsbury will be renewing rivalry with PNE after a gap of several seasons.

They are at Deepdale on Saturday November 4th.

Shrewsbury Town captain,
Richard Pratley

BITS & PIECES

Great Goalscorers Nat Lofthouse

Bolton's greatest-ever striker was also one of the greatest England number nines, immortalised by a brave performance against Austria that earned him the label of 'Lion of Vienna'. Born in Bolton in 1925 he played for Brentwood and Castle Hill Schools and first linked up with Bolton Wanderers in 1939. He was still under 16 when he played his first game in wartime football, scoring twice in a Regional league game against Bury in March 1941. He went on to net 98 goals in 143 wartime games and then played for Wanderers for the first 15 seasons of postwar football. He won his first England cap in 1951 and went on to get 30 goals in 33 appearances for his country including the two he got against Austria in Vienna in May 1952. A year later he was in the Bolton team beaten by Blackpool in the memorable 'Matthews final', scoring in every round of the F.A. Cup that season, when he was also voted Footballer of the Year. In 1955/6 his 36 goals made him leading scorer in the whole of Division One and then came that 1958 F.A. Cup win when he got both goals against Manchester United in the final. Injuries limited his appearances in his last two seasons, but when he retired in 1961 to serve the club as coach his goal tally was 285 in 503 Football League and F.A. Cup games. Since then he has served Bolton in virtually every role including that of manager and after a short spell as caretaker manager in December 1985

he became a Senior Vice-President. A powerful finisher with head and feet Nat once saved a penalty against Wolves when in goal in emergency. He was by anybody's reckoning one of the top postwar strikers.

Happy Birthday to Andrew Proctor who was 15 on Wednesday, 25th October, 1989.

Happy 21st Birthday to Shaun Quinn who's Birthday was on 26th October, 1989.

Happy Birthday to Peter Sallis who was 10 on Tuesday, 24th October, 1989. Best Wishes from Mum, Dad, Douglas and Michelle.
